## CE EG – Certificate of conformity

---

The supplier to NENKO has provided information declaring that this product has been designed and is built in accordance with CE requirements.

**Product** Nenko Interactive - Sense System

**Code** 24563085

### Directive

The CE certificate for the Sense system has been carefully compiled based on the relevant directives applicable to the individual components within the system. Each part has been assessed for safety, health, environmental impact, and performance, in accordance with European regulations. This ensures that the entire system meets the required standards and is safe for use within the European Economic Area.

### Video Projector - 19547101
